

## 2022 Adelaide Hills Sauvignon Blanc

### Vintage

2022

### Region

Adelaide Hills

### Grape Variety

100% Estate Grown  
Sauvignon Blanc

### Alcohol

13% alc/vol

### Vineyards

Fruit was selected from Block 9 of David Lloyd's Adelaide Hills Estate on The Range. (Kuitpo)

### Winemaking

A long, slow, cool vintage lead to great flavour development at low baumes whilst retaining great acidity. Fruit from block 9 was machine picked using a selective harvester in the cool of night, then crushed and air bag pressed, with just the freerun juice being used for this estate wine. The juice was settled prior to a long, cool ferment which helped to maintain all the lovely notes from the cool 2022 vintage. Following ferment, the wine spent at least one month on lees with regular stirring to help build palate weight and mouth feel. Vegan Friendly.

### Tasting Note

Light in colour, this vibrant Sauvignon Blanc has lovely aromas of elderflower, grapefruit, lemon and passionfruit. The fresh passionfruit and grapefruit on the palate is supported by a lovely citrus zest which helps maintain its fresh, clean line. A bright, fresh Sauvignon Blanc that is best enjoyed well chilled.
